## **2.3 Teaching- Learning Process**

**2.3.1 Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences**

**Response:**

**Learning facilities:**

The institute provides class room and laboratory with LCD Projector, conference hall, computer room, herbal garden, animal house facility, well stocked library which consists of bulk of books, journals, project reports and other teaching materials for the use of students and faculty.

College has institutional membership for VMEDULIFE and DELN Facilities are also available which can be accessed by all the students. The department is provided with well equipped and advanced labs for improving programming skills & logical thinking.

**Experiential learning:**

Practical approach with theoretical knowledge is the necessity to learn any field. Laboratory experiments are conducted to implement and understand class room theory knowledge with actual practical experience. Students are monitored by faculty during practical hours on daily basis to analyze and improve in their Practical skills. Students are compelled to complete 1 month industrial training for B.Pharm it offers students to get real life experience of pharmaceutical field.

To extend learning's beyond the classroom teaching, we invite experts from different industries to conduct guest lectures, seminars and workshops. It creates awareness among students about future challenges and industry demands of different skills.

With an aim to go beyond academics, industrial and IPC conferences visit provide students a practical perspective on the field work.

## **Participative learning:**

Students are motivated to participate in various activities other than curricular activities. Poster Presentation, Quiz competition etc. are provided as a platform for students to demonstrate their ideas and skills.

Consultancy Research Projects provides practical exposure to faculty and students through solving real life business problems. It provides a platform to the faculty to share their expertise & knowledge, besides giving exposure and industrial orientation to students.

NSS wing of the college arranges blood donation camps, health checkup camps, and swachatha abhiyan, tree plantation as social welfare programs which help our students to become responsible citizens of India in future.

Annual social gathering, sport competitions, lead college activities are conducted in the college to flourish the hidden talent, to build team work and leadership qualities.

Merit students are rewarded with awards and certificates.

## **Problem solving methodologies:**

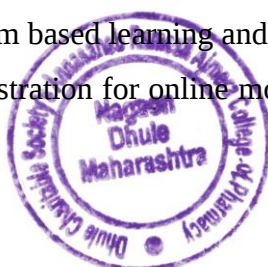

To enhance problem solving abilities of the learners, a real situation or series of events are presented to students for their analysis and consideration of possible solutions to the problems identified.

Providing in house- training workshops such as Pharmafest for the students which includes hands on training of sophisticated instruments and software. Problem solving abilities are addressed through experiments in individual students.

As per the curriculum, research or review projects are assigned to B. Pharmacy final year students to instill the research and scientific acumen in the students.

Institute encourages M. Pharm students to undertake industrial projects and participate in journal club to inculcate problem based learning and professional environment.

Students are facilitated for registration for online mock test to accelerate their preparation for GPAT.

## ANNASAHB RAMESH AJMERA COLLEGE OF PHARMACY

Approved by PCI, New Delhi and affiliated to KBC North Maharashtra University, Jalgaon.

Accredited by NBA (B. Pharmacy)

President

Hon'ble Ashishji R. Ajmera  
(B.Com, MBA)

Principal

Dr. Rajendra D. Wagh  
(M.Pharm. Ph.D.)

Ref No.: DCS/ARACOP/

Date:

Examination Seat No. 50333

### CERTIFICATE

This is to certify that the candidate  
Mr./Mrs./Miss. Bhumika Suresh Baviskar has  
Satisfactorily carried out the practical work in this Institute within  
the four walls under the supervision of the undersigned, as laid  
down in the syllabus by North Maharashtra University Jalgaon  
for First (I/II) / Second (III/IV) / Third (V/VI) / Final (VII/VIII)  
year B. Pharmacy with Seat No. 50333 during the  
academic year 2021-2022 in the subject Pharmacognosy & phy  
chemistry - I

Subject Incharge  
Mr. Chittam

Principal  
A.R.A. College of Pharmacy,  
Nagaon, Dhule - 424006

Organizing Free Webinar in Association with CLINI INDIA

## "Importance of Profession Ready Training & Placement Program"

Date- 15 Mar 2021, 12 PM

### What you will learn?

- It will make you understand about the industry expectation from a fresher
- How you have to prepare and be ready
- What are the secrets to achieve a higher package in a reputed organization
- How online training will be and what it covers?
- What are the advantages of it?
- How actually placement happens?

**Coordinator -**

**Dr. R.B. Patil**

**Mr. Prashant Suresh Salunke**  
8668560522

**CONVENER**

**Dr. R. D. Wagh**  
Principal  
(ARACOP)

**SPEAKER**

**Mr. Vishal Chaudhari**  
Head of Operation  
(Clini India)

### LIVE ONLINE

**PROFESSION READY TRAINING AND PLACEMENT PROGRAM IN  
PHARMACOVIGILANCE AND CLINICAL RESEARCH**

### ONLINE TRAINING

- Placement ready training
- Online live Mode
- 4 modules in one program
- Learning management System (LMS) access for all participant
- Interpersonal and & soft skill
- Industry expert trainer
- Mock interviews

### ADVANTAGE

- Less fees
- No need of relocation
- Easily accessible on Mobile/ Laptop
- Customize program
- Industry recommendation
- Can start from last year
- Placement in TOP industry
- Focus of schedule interview

**With Life time placement assistance**

## **State Level Poster Competition:**

### **STATE LEVEL POSTER COMPETITION**

**Summary:** State level poster presentation competition on occasion of pharmacist day was organized. The event was carried out on 27/09/2022. DCS's A.R.A. College of Pharmacy organized a state-level poster presentation competition to celebrate Pharmacist Day. Participants showcased innovative research and ideas in pharmaceutical sciences. The event fostered knowledge exchange, recognition of talent, and a platform for pharmacists to contribute to healthcare advancements. The event was conducted under guidance of Principal Dr. R.D. Wagh & Vice- Principal Dr. R.B. Patil.

### **List of students participated in poster competition:**

| Sr. no | Name of Student               | Title of project                                                      | Award                     |
|--------|-------------------------------|-----------------------------------------------------------------------|---------------------------|
| 1      | Mr.Girase vishwajit suresh    | Mucoromycosis                                                         | Participate               |
| 2      | Miss. Devre Darshana<br>Vijay | A Review on stroke and<br>Hypertension                                | Participate               |
| 3      | Jaiswal paurnima r.           | Formulation and evaluation of<br>multipurpose polyherbal wet<br>wipes | Inter-University<br>Level |
| 4      | Fulpagare Lokesh              | careers in pharma<br>exploring and preparing                          | First winner              |

## **MEMORANDUM OF UNDERSTANDING (MOU)**

BETWEEN

JMFS AC.P.M DENTAL COLLEGE DHULE

AND

ANNASAHEB RAMESH AJMERA COLLEGE OF PHARMACY, DHULE

This MOU entered into on the day of 1<sup>st</sup> JULY 2021, by and between JMF'S A.C.P.M Dental College, Dist. Dhule, Maharashtra (hereafter called party one) and Annasaheb Ramesh Ajmera College of Pharmacy, Dhule, Maharashtra (hereafter called party two), approved by All India Council for Technical Education (AICTE), New Delhi and Pharmacy Council of India.

The aforesaid organizations are hereinafter referred to individually as party and collectively as parties.

### **1. Objective of MOU**

The objectives of the MOU are:

- i To promote and enhance academic interest between both parties.
- ii To provide advice for implementation of quality education to party one.
- iii To promote research/continuing education activities between parties.

### **2. Technical areas of collaboration**

- i A continuing quality improvement programme to improve quality of staff/students at party one through short term/long term trainings/workshops. Staff/students of party two could also be sent to party one for necessary guidance.
- ii Provide academic interaction by delivering special lectures at party one on topics of relevance to modern pharmaceutical industry.
- iii Provide necessary help in organizing workshops/conferences and personality development programmes at both parties.
- iv Provide necessary support to parties for library books/Journals for upgradation of knowledge.
- v Usage of pilot plant of party two for party one students/staff.
- vi To facilitate the training for teachers / students.

vii Joint supervision of project thesis as per party one and two norms.

### **3. Proposed Modes of Collaboration**

Both parties propose to collaborate through following

- a) Cooperation and promotion of education and training in areas of mutual interest.
- b) Any other appropriate mode of interaction agreed upon between both parties. A specific plan will be worked out by the parties depending upon availability of resources.

### **4. Terms and Conditions**

- i. For continuing education to party one teachers/students, the financial arrangement will be made by party one.
- ii. For continuing education to party two teachers/students, the financial arrangement will be made by party two.
- iii. The staff/employee of both parties can use the library facility for short-time.
- iv. Usage of party two infrastructures can be allowed for limited period subject to its availability, approval of head of respective department of party two.
- v. This MOU may be amended, renewed and terminated by mutual written agreement of both parties at any time.
- vi. Either party shall have the right to terminate this MOU upon 60 days prior written notice to the other party.

### **5. Confidentiality**

Both parties agree to hold in confidence all information/data designated by parties as being confidential which is obtained from either party or created during the performance of MOU and will not disclose the same to any third party without written consent of the other party.

### **6. Duration of MOU**

This MOU unless extended by mutual written consent of the parties, shall expire in five years after the effective date specified in the opening paragraph.
