Brief report: Sanitary Vending machine Installation for Girls was organize as part of regular activity. The event was carried out on 08/03/2019. Students of DCS A.R. A College of Pharmacy participated as a regular activity. The installation of sanitary vending machines in colleges for students addresses the crucial need for accessible and convenient menstrual hygiene products. It promotes menstrual health and ensures that students have a reliable and dignified way to manage their periods. The machines are easily accessible, discreet, and provide a variety of sanitary products, eliminating the challenges of availability and affordability. By offering these facilities, colleges create a supportive environment that prioritizes the well-being and comfort of their female students, breaking barriers and promoting gender equality. The initiative contributes to destigmatizing menstruation and empowering young women to pursue their education without interruption. The event was co-ordinated by NSS Incharge under guidance of Principal Dr. R.D. Wagh & Vice- principal Dr. R.B. Patil

Brief Report: The Women's Day Safety & Empowerment event at DCS's A.R. A. College of Pharmacy, with its Judo and Karate training and the presence of the Dushant Deshmukh, made a significant contribution to women's empowerment and safety on campus. By providing practical self-defense skills, raising awareness about women's safety issues, and fostering empathy and understanding among the college community, the event had a positive and lasting impact. It strengthened the commitment of the college to create an inclusive and safe environment where women feel empowered and respected. Such initiatives play a crucial role in building a society that promotes gender equality and the well-being of all its members.
