7. Institutional Distinctiveness

Summary -

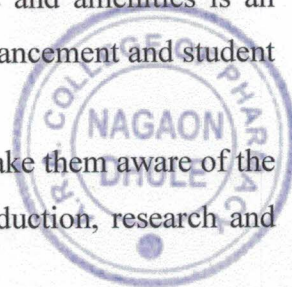

DCS's Annasaheb Ramesh Ajmera College of Pharmacy was established on 1994 as a pioneer institute in the category of self-financed institutes under the aegis of the already established renowned Dhule Charitable Society, Dhule. The A. R. A. College of Pharmacy was recognized as an excellent Institute of Pharmacy for its outstanding efforts in providing quality health education to the remote rural population and improving the health of the society. The A. R. A. College of Pharmacy is committed to promoting the health and well-being of society by training competent and motivated pharmacists and providing indigenous technological manpower for the industrial development of the nation, according to the Institute's vision statement.

The Institute has been accredited by NBA in the Second cycle. Recently, the Institute has established a new diploma course in Pharmacy with 60 places.

The Institute has participated in the NIRF. The Institute has scrupulously followed all regulatory standards and has emerged unscathed from all rigorous inspection tests. The institute has highly experienced and dedicated staff who help in providing excellent pharmaceutical education. The institute prepares students for the ever-increasing technological and social changes by emphasising on self-discipline, hard work, comprehensive personality development and creative approach to problems. The institute has introduced innovative teaching tools such as PowerPoint presentations, online Google classrooms to enhance teaching methods, and installed audio systems and Wi-Fi network facilities. Up gradation of laboratories, workshops, computer facilities and amenities is an ongoing process. The institute conducts various courses for capacity enhancement and student development.

The institute conducts counselling sessions for 12th grade students to make them aware of the profession of pharmacy. Students are trained in various areas like production, research and

development, community pharmacy, marketing and hospital pharmacy by organizing guest lectures from various professionals in these fields to empower the students in relation to the internship. Students are motivated towards moral and social values and guided to maintain personal hygiene and health for social care. There is an extensive infrastructure to promote and cultivate these qualities in the students. The teaching staff is always encouraged and supported to participate in workshops, staff development programs and research activities to create a growth oriented, stimulated and contented environment for the staff. As part of the curriculum, students undertake "Industry Internship" and P.G. students are always encouraged and motivated to undertake research projects in industry to build a strong link between the institute, students and industry.

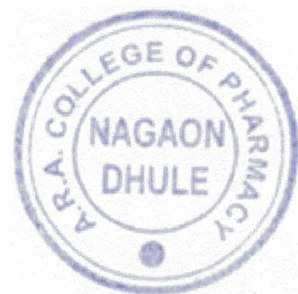

The Institute hosts a very pleasant environment that not only provides students with the opportunity to develop technical skills, but also paves the way for the development of hobbies, interest in various fields, interdisciplinary initiatives, art, culture, sports, aesthetics and the fulfilment of social obligations to make them better people and professionals. The desired results such as the dominance of students in internships, the promotion of successful professionals in industry, entrepreneurship, have remained unimpressed. The Institute is always committed to social welfare, with an eye on social interests.

The institute actively participates in "Go Green India" and provides door- to-door advice to the public on current issues. The institute has introduced the programme "Book Bank to all students

Bank to all students" with at least four books based on their curriculum. The institute is honoured with a "Memento" and a "Certificate of Appreciation" from the Blood Bank of DCS's A.R.A. College of Pharmacy, for organising a blood donation camp.

Sir,

With reference to the above, it is stated that this council does not prescribe the minimum educational standards to qualify the Degree in Pharmacy.

2. However, if any institution wants its B.Pharm. course to be recognised under section 12 of the Pharmacy Act, 1948 for the purpose of qualifying for registration as a pharmacist, it has to apply for approval of the course to this council in the Standard Inspection Form alongwith the letter of consent/affiliation of the Examining Authority. The Examining Authority should also confirm in writing of their willingness to get their degree course and examination in Pharmacy recognised from this Pharmacy Council of India in conformity with the standards laid down under Education Regulations for the Diploma course in Pharmacy.

3. It is further stated that as per appendix B of Education Regulations 1991 the pay scales of teaching staff shall be as prescribed by the All India Council for Technical Education for teaching staff of polytechnics from time to time. The organisation intending to seek approval of the Diploma/Degree course in Pharmacy, is therefore required to implement the AICTE pay scales to the teaching staff and submit a duly sworn in affidavit to this effect with full details i.e.

- Name of the staff members;
- Designation;
- Date of joining;
- Pay scale;
- Allowance, D.A. etc.
- Total emoluments and
- Signature of the concerned staff member.

4. On presentation of full particulars, the council will inspect during the conduct of the course and examinations to assess that the institution complies with the minimum conditions as laid down in the Education Regulations, 1991 (for the Diploma course in Pharmacy) as notified in the Gazette of India, Part III, Section 4 No. 28 dated 11th July, 1991.

To,

The Principal,
D.C.S.'s A. R. A. College of Pharmacy,
Survey No. 312/B, Mumbai-Agra Highway,
Nagaon, Dhule,
Maharashtra- 424006.

Subject: Further accreditation status on the basis of Compliance Report of UG-Pharmacy program offered by D.C.S.'s A. R. A. College of Pharmacy, Survey No. 312/B, Mumbai-Agra Highway, Nagaon, Dhule, Maharashtra- 424006.

Sir,

This is regarding Compliance Report submitted by D.C.S.'s A. R. A. College of Pharmacy, Survey No. 312/B, Mumbai-Agra Highway, Nagaon, Dhule, Maharashtra- 424006 for the UG-Pharmacy program which was accredited by NBA for academic years 2019-20 to 2021-22 i.e., upto 30-06-2022.

2. An Expert Team conducted data verification of the program on 15th October, 2022. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the program as given in the table below:

Sl. No.	Name of the Program (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Pharmacy	January, 2016 Document	Accredited	Academic Years 2022-2023 to 2024-2025 i.e. Up to 30-06-2025	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The program has been granted accreditation for further 3 years. D.C.S.'s A. R. A. College of Pharmacy, Survey No. 312/B, Mumbai-Agra Highway, Nagaon, Dhule, Maharashtra- 424006 should submit fresh online application under SAR January, 2016 document through e-NBA portal at least five months before the expiry of validity of accreditation mentioned above.

5. The accreditation status awarded to the program as indicated in the above table does not imply that the accreditation has been granted D.C.S.'s A. R. A. College of Pharmacy, Survey No. 312/8, Mumbai-Agra Highway, Nagaon, Dhule, Maharashtra- 424006 as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above program is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited program as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the program as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. A copy of Report of the Visiting Team in respect of the above program is enclosed.

7.3.15 Entrepreneurship

Entrepreneurship

- The Entrepreneurship Development Cell is aimed to induce the entrepreneurship spirit among students and make them excited to start their own venture/enterprise. Entrepreneurs with a technical background like our students have an amazing capability to innovate both on the technical and business fronts. It also attempts to train and equip them with the knowledge and resources they need to build a successful business.
- **FACILITY:**
The Entrepreneurship Cell is attached with the training & placement cell. All the members of the training and placement cells are available throughout the day for the students to help them regarding starting up their own business venture. The activities are not just limited to the current students but even the alumni are encouraged to take benefits of the services offered by the cell.
- **TRAINING:**
The students were exposed to different seminars, workshops and interactive sessions to make them a perfect entrepreneur.

Entrepreneurship Cell aims to improve and generate a culture of innovation and development of entrepreneurial spirit amongst the students and budding entrepreneurs and start their own enterprise. To develop a culture of innovation, students are encouraged to convert their ideas into enterperneurial efforts. For this purpose Entrepreneurship Cell has been created in the college headed by Mr. Jaswinder Singh. It also helps to train and equip the students with knowledge and resources need to build successful business.

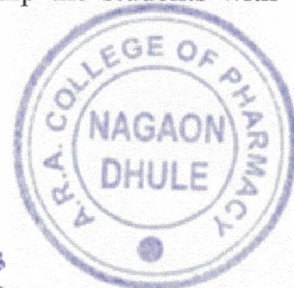

The Entrepreneurship cell constitutes following members:
