Report on International Yoga Day

Event Details

Name: International Yoga Day Celebration

Date: 21st June 2022

Organized by: DCS's A. R. A College of Pharmacy

No of Participants: 35

Introduction

On 21st June 2022, DCS's A. R. A College of Pharmacy celebrated International Yoga Day with great enthusiasm and participation from students, faculty, and staff. The event aimed to promote the physical, mental, and spiritual benefits of practicing yoga and to create awareness about its positive impact on overall health and well-being. The celebration was conducted in collaboration with experienced yoga instructors and experts to ensure a holistic experience for all participants.

Objectives

The International Yoga Day celebration conducted by DCS's A. R. A College of Pharmacy had the following key objectives:

1. **Promote Wellness:** Promote the practice of yoga as a means to attain physical fitness, mental peace, and emotional well-being.
2. **Stress Reduction:** Raise awareness about yoga's effectiveness in managing stress and improving overall mental health.
3. **Cultivate Mindfulness:** Encourage participants to cultivate mindfulness and connect with their inner selves through yoga practices.

Event Highlights

1. Yoga Sessions The celebration commenced with yoga sessions led by experienced yoga instructors. Participants engaged in various yoga asanas (poses) and pranayama (breathing exercises) to experience the benefits of yoga firsthand.

Date:

2. Guided Meditation Guided meditation sessions were conducted to help participants relax their minds and experience a state of tranquility.

3. Yogic Talks and Presentations Yoga experts delivered talks and presentations on the history and philosophy of yoga, highlighting its relevance in contemporary times.

4. Yogic Diet and Nutrition Nutritionists and experts discussed the importance of a balanced yogic diet, emphasizing the relationship between diet and overall health.

5. Cultural Performances Cultural performances related to yoga and Indian heritage added a touch of vibrancy to the celebration.

Outcomes

The International Yoga Day celebration conducted by DCS's A.R.A College of Pharmacy yielded several positive outcomes:

- 1. Enhanced Well-being:** Participants experienced improved physical fitness and mental well-being through yoga practices.
- 2. Stress Relief:** The yoga sessions and meditation techniques helped participants reduce stress and enhance their ability to cope with daily challenges.
- 3. Awareness about Yoga:** The event created awareness among participants about the benefits of incorporating yoga into their daily lives.
- 4. Mindfulness:** Students and staff learned to embrace mindfulness and find moments of peace and self-awareness through yoga practices.
- 5. Cultural Appreciation:** The celebration fostered an appreciation for Indian culture and heritage, particularly the ancient practice of yoga.

Conclusion

The International Yoga Day celebration organized by DCS's A.R.A College of Pharmacy showcased the institution's commitment to promoting holistic well-being among its students and staff. By engaging in yoga practices, participants experienced the physical and mental benefits of yoga and gained insights into the significance of mindfulness and self-care in today's fast-paced world.

Report on Health Check Up Camp

Date: 22/09/2022

Venue: DCS's A. R. A. College of Pharmacy

Introduction

DCS's A. R. A. College of Pharmacy organized a comprehensive medical camp aimed at providing essential healthcare services to the local community. The medical camp was designed to cater to the medical needs of people from various age groups and socio-economic backgrounds, ensuring access to quality healthcare services and health awareness.

Objective

The medical camp had the following key objectives:

Healthcare Access: Provide accessible and affordable healthcare services to the underserved and economically disadvantaged sections of the community.

Health Awareness: Raise awareness about common health issues, preventive measures, and healthy lifestyle practices among the community members.

Screening and Diagnosis: Conduct health screenings and medical check-ups to detect and address medical conditions at an early stage.

Patient Counseling: Offer personalized health counseling and guidance to patients regarding their medical conditions and treatment plans.

Medical Camp Highlights

1. Multidisciplinary Healthcare Services

The medical camp brought together a team of experienced healthcare professionals, including doctors, nurses, pharmacists, and paramedical staff, to provide comprehensive healthcare services. The team covered various medical specialties, including general medicine, pediatrics, gynecology, ophthalmology, and dentistry.

Date:

2. Health Screenings and Diagnostics

The camp offered free health screenings, such as blood pressure measurement, blood glucose testing, BMI assessment, and vision and dental check-ups. These screenings helped identify potential health issues and allowed early intervention and appropriate medical advice.

3. Medication Dispensing

A pharmacy section was set up to provide free medicines to patients based on the prescriptions given by the attending doctors. Pharmacists were available to counsel patients on proper medication usage and potential side effects.

4. Health Awareness Sessions

In addition to medical services, the medical camp featured health awareness sessions conducted by healthcare professionals. These sessions covered topics such as nutrition, hygiene, family planning, immunizations, and the importance of regular health check-ups.

5. Patient Education and Counseling

Patients were provided with individualized health education and counseling based on their medical reports and health conditions. The healthcare professionals discussed treatment plans, lifestyle modifications, and preventive measures to improve their overall health.

Outcomes

The medical camp achieved several positive outcomes:

Healthcare Access: The camp provided healthcare services to a large number of individuals who would otherwise have limited access to medical facilities.

Early Detection of Health Issues: The health screenings and diagnostics helped in the early detection of various health conditions, enabling timely intervention and treatment.

Health Awareness: The health awareness sessions and counseling enhanced community knowledge about health and hygiene practices, promoting overall well-being.

Community Engagement: The medical camp fostered a sense of community engagement and collaboration, bringing together healthcare professionals, students, and the local community.

Conclusion

The medical camp organized by DCS's A.R. A. College of Pharmacy proved to be a significant initiative in providing much-needed healthcare services and health awareness to the community. The event exemplified the commitment of the college to serve society and contribute to the betterment of public health.

DCS's A.R. A. College of Pharmacy remains dedicated to organizing such medical camps and community-oriented initiatives to bridge the healthcare gap and promote a healthier and more resilient society.

Health Check up Camp:-

Health examinations and tests at the early stages of the illness can help to cure it faster and save a life before it can cause any damage. One can live longer and healthier only when the individual gets the right kind of health check-up, screening, and treatments.

Regular health screenings can reduce the risk of developing a disease. One can get a general idea or hint of the possibility of something going wrong in their bodies, through which they can take additional precautions, changes, and actions to prevent them from causing further complications.

During the health camp, a range of services like routine medical check-up, haemoglobin test, sugar test, height-weight, blood pressure check-up, medicine distribution were provided under the curative services.

The **Health Check up** was conducted by Dhule Charitable Society's Annasaheb Ramesh Ajmera College of Pharmacy, Nagaon, Dhule on **22nd September 2022**. The Health Check up were conducted by Dr. Vijeyata Shirole and Her Team from Primary Health Care centre, Kapadane, Dhule, Dr. G. U. Birkhade, Optician (Ophthalmologist), from Primary Health Care centre, Kapadane, Dhule, Dr. Anil Patil and Dr. Rahul Baviskar from Ayurved Mahavidyalaya Deopur, Dhule and Dr. P. S. Girase and his team Eye Specialist Deopur, Dhule. Health Check up consist of various activities like as Dental Check up, Diabetic Check up, BP Check up, Covid 19 Vaccination. All students of B. Pharmacy and M. Pharmacy with Teaching and Non Teaching Staff of Dhule Charitable Society's Annasheeb Ramesh Ajmera College of Pharmacy, Nagaon, Dhule were participated in Health Check up.

**Appreciation for Successfully Conducting
Medical Health Check-up for Students**

I am writing to express our appreciation to DCS's A.R.A. College of Pharmacy for the outstanding effort and commitment demonstrated in organizing and executing a comprehensive Medical Health Check-up for students

The effort in conducting this health check-up has undoubtedly contributed to the well-being and health awareness of the student community. The meticulous planning, efficient execution, and the quality of healthcare services provided during the event have truly impressed us.

We commend the dedication of your team in ensuring that each student received the necessary medical assessments, screenings, and consultations. The initiative taken by DCS's A.R.A. College of Pharmacy to prioritize the health of its students aligns perfectly with our mission to promote a healthier society.

It is heartening to witness such proactive and responsible engagement from an educational institution. By organizing this Medical Health Check-up, you have not only fulfilled your duty as educators but have also demonstrated a commitment to the holistic development and well-being of your students.

We firmly believe that partnerships between educational institutions and healthcare organizations play a vital role in building a healthier and more informed community.

Thank you for your dedication and contribution to the health and well-being of the students. We look forward to the possibility of future events and commend you for your

commitment to excellence.

Warm regards,

Report on Motorcycle Rally for Awareness of the Role of Pharmacist in Healthcare System

Date: 23/09/2022

Venue: Starting from DCS's K.C Ajmera Ayurved College, through prominent city routes, and concluding at a public gathering venue.

Participant:- 110

Introduction

DCS's A.R. A. College of Pharmacy organized a motorcycle rally as part of an awareness campaign to highlight the vital role of pharmacists in the healthcare system. The event aimed to create public awareness about the multifaceted contributions of pharmacists in patient care, medication management, and promoting public health. The motorcycle rally provided a unique and engaging platform to reach out to the community and emphasize the significance of pharmacists in ensuring safe and effective healthcare delivery.

Motorcycle Rally Highlights

1. Preparations and Participation

The motorcycle rally garnered enthusiastic participation from students, faculty members, and staff of DCS's A.R. A. College of Pharmacy, as well as local pharmacists and pharmacy professionals from nearby healthcare institutions.

2. Route and Public Interaction

The rally covered prominent routes across the city, passing through busy streets and public areas. As the convoy made its way, participants engaged with pedestrians and passersby, distributing pamphlets, and engaging in conversations to spread awareness about the role of pharmacists in patient care and medication safety.

Rally with Banners

Dhule Charitable Society's A. R. A. College of Pharmacy, Nagaon, Dhule. The Motor Cycle Rally with banners of Pharmacy on 23rd September 2022 for awareness of Role of Pharmacist in Health Care System. The Students of D. Pharmacy, B. Pharmacy and M. Pharmacy were actively participated in Motor Cycle Rally with banners.

The Motor cycle rally was intended to sensitize the society/community and send a strong message to society regarding the role of Pharmacists in delivering proper health care facilities with special reference to drug administration and patient counseling. The Motor cycle rally also appraised the society regarding the crucial role played by pharmacists and pharmaceutical scientists during the COVID pandemic days. The Motor cycle rally intended to deliver a strong societal impact in projecting India as the Pharmacy of the entire world and showcasing the strength of India in terms of pharmaceuticals and vaccine production.

The main objectives of the Motor Cycle rally was,

1. Public awareness about side effect of drugs and medicines.
2. Safe drug therapy and Drug resistance
3. Immunity development against diseases
4. Role of pharmacist in Health Care. Awareness about Diseases.

Date:

The motorcycle rally for awareness of the role of pharmacists in the healthcare system achieved several positive outcomes:

Increased Public Awareness: The rally successfully raised awareness among the general public about the diverse roles and responsibilities of pharmacists in healthcare.

Community Engagement: The interactions during the rally provided an opportunity to engage with the local community and address their queries about pharmacy services.

Recognition of Pharmacists' Contributions: The event highlighted the critical role pharmacists play in the healthcare system, leading to increased recognition and appreciation for their services.

Conclusion

The motorcycle rally for awareness of the role of pharmacists in the healthcare system organized by DCS's A.R. A. College of Pharmacy proved to be a resounding success. The event effectively created public awareness about the multifaceted contributions of pharmacists in patient care and medication management.

The rally not only engaged the local community but also fostered a sense of unity among pharmacy students and professionals in advocating for the recognition and appreciation of pharmacists in the healthcare domain.

Report on Guest Lecture on Personality Development by Dr. P. S. Girase

Date of Event:- 24th September 2022

Number of Participant:-40

Place of the Event:- DCS's A. R. A. College of Pharmacy

Guest Lecture Details:-

Dhule Charitable Society's A. R. A. College of Pharmacy, Nagaon, Dhule organized Guest Lecture on Thoughts of Swami Vivekanand and Role of Youth in Current Era by Dr. P. S. Girase, Professor Jaihind Senior College, Dhule. The Students of D. Pharmacy, B. Pharmacy and M. Pharmacy were actively attended Guest Lecture.

Primary Objective of the Online Guest Lecture on Personality Development:-

1. To build self confidence, enhance self esteem and improve overall personality of the students. They were made aware on the importance of soft skills required to be a part of corporate structure.
2. Importance of positive thinking, mental strength and self-motivation.
3. To insights on Personality.

Details of Online Guest Lecture on Personality Development:-

The Online Guest Lecture on Personality Development was very interesting through participation of students, teaching staff. Students of B. Pharmacy, M. Pharmacy were present for the Guest Lecture on Personality Development. Dr. P. S. Girase said about that Swami Vivekananda conveyed his ideas directly to the people, especially to the youth. Swami Vivekananda message broke through the shackles of caste and creed and spoke of a language of universal brotherhood. What Swami Vivekananda said captures the great importance of his ideas and ideals among the youth in our country today.

How Swami Vivekanand urged the Indian youth to educate themselves and emphasised how service should be the focus of their lives. Dr. P. S. Girase said about Ideas and ideals of Vivekananda enliven the human soul.

Dr. P. S. Girase focuses on improving the development and communication skills of the students in order to prepare them for job interviews. Various parameters like basic introduction, body language, positive attitude, interactive skills and the level of confidence were taken by the Guest Lecturer.

देशोन्नती

एक्स्लूझिव्ह अपडेट

सद्यस्थितीत स्वामी विवेकानंदांचे विचार अधिक समर्पक - डॉ. प्रवीणसिंग गिरासे

देशोन्नती वृत्तसंकलन...

पुढे " युवक आज नवीन समस्यांना तोंड देत आहेत, सीमा ओलांडत आहेत आणि चांगल्या भविष्यासाठी आकांक्षा बाळगत आहेत, त्यांनी स्वामी विवेकानंदांच्या विचार व संदेशानुसार आपले जीवन विकसित करावे कारण सद्यस्थितीत स्वामी विवेकानंदांचे विचार अधिक समर्पक आहेत असे प्रतिपादन प्रा. डॉ. प्रवीणसिंग गिरासे यांनी अजमेरा कॉलेज ऑफ फार्मसी नगाव येथे केले.

येथील अजमेरा कॉलेज ऑफ फार्मसी येथे जागतिक फार्मसी सप्ताह निमित्त 'स्वामी विवेकानंदांचे विचार व वर्तमान युगात तरुणांची भूमिका' या विषयावर ज्योतिष शैक्षणिक संस्था संचालित झेंड, बी. पाटील महाविद्यालयातील येथील प्रा. डॉ. प्रवीणसिंग गिरासे यांचे व्याख्यान आयोजित करण्यात आले त्यावेळी ते बोलत होते. कार्यक्रमासाठी संस्थेचे अध्यक्ष आशिषजी अजमेरा तसेच संस्थेचे उपाध्यक्ष रोहित अजमेरा यांचे मार्गदर्शन लाभले. डॉ. गिरासे पुढे म्हणाले की, स्वामी विवेकानंद हे शिकवणो सर्वधर्म परंपदे नंतर भारतीय तरुणांसाठी रातत प्रेरणास्रोत आहेत. स्वामी विवेकानंदांनी तरुणांना त्यांची सामूहिक शक्ती राष्ट्र उभारणीवर केंद्रित करण्याचे आवाहन केले. यशस्वी जीवन

अजमेरा फार्मसीत व्याख्यान उत्साहात

अर्थपूर्ण नसेल तर काहीच नाही. स्वामीजींनी युवकांना भौतिक, सामाजिक, बौद्धिक आणि आध्यात्मिक मार्ग या अर्थपूर्ण जीवन जगण्याच्या चार शोधांचे मार्गदर्शन केले आहे. भौतिक मार्गाद्वारे समाजातील शारीरिक व मानसिक आजारांना प्रस्तांसाठी रुग्णालय, युद्धाश्रम व अनावाधम सुरु करणे. बौद्धिक मार्गाद्वारे

शाळा, महाविद्यालये चालवणे आणि जनजागृती करणे. सामाजिक सेवेसाठी स्वतः ज्ञान मिळवणे आणि ते समाजात पसरवणे. युवकांना आपल्या आध्यात्मिक वारशावर विश्वास ठेवून पाश्चिमात्य देशांकडून अनेक गोष्टी शिकता येतील असे सांगितले.

विवेकानंदांनी भारतीय समस्येवर त्याच आणि 'सेवा' उपाय असल्याचे सांगितले. त्यांनी दाखवलेल्या चार मार्गांपैकी कोणताही मार्ग निवडून शांती, समृद्धी आणि आनंद मिळवता येतो. कार्यक्रमाचे सूत्रसंचालन प्रा. डॉ. तनवीर शेख यांनी तर अतिथी परिचय प्रा. मनाली जोशी यांनी केला. कार्यक्रमाचे

अध्यक्षीय मनोगत तसेच आभार प्रदर्शन प्राचार्य डॉ. श्री राजेंद्र वाघ यांनी केले. कार्यक्रमास उपस्थित प्रा. डॉ. रविंद्र पाटील, प्रा. डॉ. श्री. विलास बडगुजर, प्रा. डॉ. नितीन शिरोळे, प्रा. डॉ. धी. वेंकटारवणी विलास, प्राध्यापक व प्राध्यापकेतर कर्मचारी यांची उपस्थिती होती.

National Constitution Of India Day Celebration (Samvidhan Diwas) in College Campus at DCS's A.R. A. College of Pharmacy on 26/11/2022

Date: 26/11/2022

Venue: DCS's A.R. A. College of Pharmacy

Introduction:

Samvidhan Diwas, also known as Constitution Day, is celebrated in India on 26th November every year to commemorate the adoption of the Indian Constitution by the Constituent Assembly in 1949. DCS's A.R. A. College of Pharmacy organized a special Samvidhan Diwas Programmed on its campus to promote awareness about the Indian Constitution and its significance in shaping the country's democratic values. This report outlines the objectives, activities, and impact of the programme, which aimed to instill a sense of pride and responsibility among students and staff towards upholding the constitutional principles.

Objectives:

The primary objectives of the Samvidhan Diwas Programmed were:

Promoting Awareness: To raise awareness among students and staff about the Indian Constitution, its history, and its importance in governing the nation.

Encouraging Constitutional Values: To encourage participants to embrace and uphold the democratic principles and values enshrined in the Constitution.

Inspiring Civic Responsibility: To inspire students and staff to take an active interest in the country's governance and participate responsibly in the democratic process.

Activities:

The Samvidhan Diwas Programme at DCS's A.R. A. College of Pharmacy included a series of activities that aimed to engage participants in the significance of the Indian Constitution:

Constitution Day Address: The programme began with a formal address on the importance of the Indian Constitution and its role in shaping the nation's democracy. Faculty members highlighted key constitutional principles and their relevance in contemporary society.

Date:

Oath-Taking Ceremony: The highlight of the programme was the solemn oath-taking ceremony, wherein students and staff collectively pledged to uphold the values and principles of the Indian Constitution. The oath emphasized the importance of equality, justice, freedom, and fraternity.

Impact & Outcome:

Increased Awareness: The programme succeeded in increasing awareness about the Indian Constitution and its pivotal role in shaping the nation's governance.

Promoting Constitutional Values: The discussions and activities inspired participants to embrace constitutional values and apply them in their daily lives.

Fostering Civic Responsibility: The programme encouraged students and staff to take an active interest in civic affairs and participate responsibly in the democratic process.

Building Pride: The oath-taking ceremony instilled a sense of pride among participants in being citizens of a democratic nation and reinforced their commitment to uphold constitutional principles.

Strengthening College Community: The programme brought together students and staff in a shared celebration of the Indian Constitution, fostering a sense of unity and shared responsibility.

Conclusion:

The Samvidhan Diwas Programme conducted at DCS's A.R. A. College of Pharmacy exemplifies the institution's commitment to promoting constitutional awareness and democratic values among its students and staff. Through engaging activities, discussions, and the solemn oath-taking ceremony, the programme inspired participants to embrace the principles enshrined in the Indian Constitution and apply them in their lives.

Report on Guest Lecture by Mr. Kishor Kale on Cyber Cell Department

Event Detail: Guest Lecture on Cyber Cell Department

Date: 14/12/2022

No of Participants: 44

Introduction

Students attended the Guest Lecture on Cyber Cell Department by Mr. Kishor Kale. The lecture aimed to create awareness about cybercrime prevention, cyber laws, and the role of the Cyber Cell in maintaining online security. The event provided students with valuable insights into the complexities of cybercrime and the measures taken by law enforcement to combat digital threats.

Guest Speaker

Mr. Kishor Kale: With extensive experience in the field of cyber law and a profound understanding of digital security, Mr. Kishor Kale is recognized as an expert in cybercrime prevention and investigation.

Objective

The guest lecture aimed to achieve the following objectives:

Awareness about Cybercrime: Educate students about the various types of cybercrimes, their implications, and preventive measures.

Understanding Cyber Laws: Provide insights into cyber laws and regulations to help students understand the legal framework surrounding digital offenses.

Role of the Cyber Cell: Enlighten students about the role and functions of the Cyber Cell Department in tackling cyber threats and protecting citizens from online dangers.

Guest Lecture Highlights

Overview of Cybercrime

Mr. Kishor Kale began the lecture with an overview of cybercrime, explaining the different types of offenses, including hacking, phishing, cyberbullying, and online financial frauds. He highlighted the exponential rise in cybercrimes globally and the need for robust cybersecurity measures. The lecture included real-life examples and case studies of cybercrimes, illustrating the grave consequences of digital offenses on individuals, businesses, and society at large.

Cyber Laws and Regulations

Mr. Kishor Kale elucidated the legal aspects of cybercrime, discussing relevant sections of the Information Technology Act and other cyber laws. He explained the procedures for reporting cybercrimes and the role of law enforcement agencies in investigating such offenses. The lecture addressed the importance of digital evidence in prosecuting cybercriminals and the challenges faced by authorities in the rapidly evolving cyber landscape. Mr. Kishor Kale encouraged students to stay informed about cyber laws and their rights as digital citizens.

Role of the Cyber Cell Department

The guest lecture emphasized the pivotal role played by the Cyber Cell Department in combating cybercrimes. Mr. Kishor Kale discussed the structure and functioning of the Cyber Cell, which includes experts in digital forensics, cyber investigation, and cyber law enforcement. He highlighted the department's collaborations with other agencies, including law enforcement, government bodies, and private organizations, to address cyber threats comprehensively.

Outcomes

Increased Awareness: Students gained a deeper understanding of cybercrimes and their potential impact on personal and professional lives.

Cybersecurity Consciousness: The lecture encouraged students to adopt cybersecurity best practices to safeguard themselves and their digital assets.

Date:

Legal Awareness: Students acquired knowledge about cyber laws and regulations, empowering them to be responsible digital citizens and report cybercrimes when necessary.

Inspiration for Career Paths: The lecture inspired students to consider pursuing careers in the cyber law domain and contribute to cybercrime prevention.

Conclusion

The guest lecture by Mr. Kishor Kale on the Cyber Cell Department proved to be an enlightening and eye-opening session for students at DCS's A.R. A. College of Pharmacy. The event provided valuable insights into cybercrime prevention, the legal aspects of cyber offenses, and the commendable efforts of the Cyber Cell in ensuring online safety.

Report on Guest Lecture by Mr. Lokesh Fulpagare on Career Guidance in Pharma Industry and Development of Soft Skills

Date: 29/12/2022

Venue: DCS's A.R.A. College of Pharmacy.

No of Participants: 43

Introduction

DCS's A.R. A. College of Pharmacy hosted a guest lecture by Mr. Lokesh Fulpagare, a seasoned pharmaceutical industry professional, on the topic of career guidance in the pharmacy industry and the significance of developing soft skills. The event aimed to provide students with insights into various career opportunities in the pharmaceutical sector and equip them with essential soft skills to excel in their professional journey.

Guest Speaker

Mr. Lokesh Fulpagare: Experience in the pharmaceutical industry, Mr. Lokesh Fulpagare is a respected professional known for his expertise in pharmaceuticals. He has a successful track record in leading and mentoring teams and is a strong advocate for soft skill development in the workplace.

Objective

Career Guidance: Provide students with insights into various career paths available in the pharmaceutical industry, including research and development, regulatory affairs, sales, marketing, and clinical pharmacy.

Soft Skill Development: Emphasize the importance of developing soft skills such as communication, leadership, problem-solving, and teamwork to excel in the pharmacy profession.

Guest Lecture Highlights

Career Guidance in Pharmacy Industry

Mr. Lokesh Fulpagare began his lecture by shedding light on the diverse and dynamic opportunities available in the pharmaceutical industry. He emphasized the importance of identifying one's passion and strengths to make informed career choices. Through real-life examples and case studies, he elucidated the roles and responsibilities of professionals in different sectors of the industry.

The lecture included valuable tips on building a strong resume, networking, and leveraging internships and training programs to gain practical experience. Mr. Fulpagare also encouraged students to stay updated with industry trends and advancements, fostering a proactive approach to career growth.

Development of Soft Skills

Mr. Lokesh Fulpagare emphasized that technical expertise alone is not sufficient for a successful career in pharmacy. He highlighted the significance of developing essential soft skills, which play a pivotal role in professional growth and success.

Through interactive exercises and role-playing scenarios, Mr. Fulpagare guided students in honing their communication skills, both verbal and written, to effectively convey ideas and information. He stressed the importance of active listening and empathy in building strong professional relationships.

The lecture also addressed leadership and teamwork, encouraging students to actively participate in extracurricular activities and group projects to enhance their collaborative abilities. Problem-solving and critical thinking were discussed as essential skills to navigate challenges in the pharmaceutical industry.

Outcomes

The guest lecture by Mr. Lokesh Fulpagare yielded several positive outcomes for the students.
Career Clarity: Students gained a better understanding of various career paths available in the pharmaceutical industry, enabling them to make informed career choices.

Soft Skill Development: The lecture inspired students to invest in developing soft skills, enhancing their overall employability and professional competency.

Networking Opportunities: Interaction with an industry expert provided students with valuable networking opportunities and potential internships in the pharmaceutical sector.

Confidence Building: The lecture instilled confidence in students by showcasing successful industry professionals' journeys and encouraging them to pursue their goals with determination.

Conclusion

The guest lecture by Mr. Lokesh Fulpagare on career guidance in the pharmacy industry and soft skill development proved to be an insightful and enriching session for students at DCS's A.R. A. College of Pharmacy. The event provided valuable guidance and mentorship, equipping students with essential knowledge and skills to embark on a successful and fulfilling career in the pharmaceutical sector.

Report on Guest Lecture on GPAT Preparation, Career Guidance and Development of Soft Skills on 30/01/2023

Guest Lecture Place:- DCS's A. R. A. College of Pharmacy

Number of Participant:- 55

Importance of the Guest Lecture:-

It is essential to understand the exam pattern and syllabus thoroughly. Make sure study from reliable sources like standard textbooks, study materials, and online resources. Candidates, who wish to attempt the GPAT exam have to check the GPAT Preparation Tips like as,

- To begin with, need to check the syllabus, important dates, eligibility and selection process.
- Along with these, manage preparation time.
- Next, list out the topics that make hard for preparation.
- Set a timetable
- Finally, Do not waste time going through all the study materials.
- Career Guidance and Development of Soft Skills.

Details of Guest Lecture:-

The Guest Lecture was very interesting through participation of students, teaching staff. Students of Third and Final Year B. Pharmacy, M. Pharmacy were present for the Guest Lecture on GPAT Preparation, Career Guidance and Development of Soft Skills. The Guest Lecture was conducted by Mr. Sachin Jadhav, Fundamental Pharmacy, Sambhaji Nagar, Maharashtra on 30th January 2023. He focuses on GPAT Preparation, Career Guidance and Development of Soft Skills, Tips for GPAT Preparation, Sources and Syllabus of GPAT Preparation. He also discuss on What to refer for the exam curriculum, How to prepare a decent timetable, How make revision should be done on regular basis, How to prepare notes, How to have a clear understanding of practice mock tests, How to develop soft skills.

Report on Guest Lecture on Mental Stress Management and Sickle Cell Anemia

Date: 17/02/2023

Venue: DCS's A.R.A. College of Pharmacy.

No of Participants: 26

Introduction

DCS's A.R. A. College of Pharmacy organized an enlightening guest lecture on mental stress management and Sickle Cell Anemia to enhance students' knowledge and awareness about two significant health-related topics. The guest lecture aimed to equip students with essential information on coping with stress and understanding the medical aspects of Sickle Cell Anemia, enabling them to become informed and empathetic healthcare professionals.

Guest Speakers

Mental Stress Management: Dr. Jagdish Zire and Mr. Omkar Gunjal, delivered the lecture on managing mental stress effectively.

Sickle Cell Anemia:, Mr. Daulat More shared valuable insights about the genetic disorder.

Objective

The primary objective of the guest lecture was to create awareness about mental health issues and provide students with tools and techniques to manage stress effectively. Additionally, the lecture aimed to enhance students' understanding of Sickle Cell Anemia, its causes, symptoms, management, and support strategies.

Guest Lecture Highlights

1. Mental Stress Management Lecture

Dr. Jagdish Zire commenced his session with an overview of mental health, emphasizing its importance in maintaining overall well-being. He highlighted the prevalence of stress-related problems and the impact of stress on physical and mental health.

(M.Pharm. Ph.D.)

Ref No.: DCS/ARACOP/

Date:

The lecture delved into various stress management techniques, including mindfulness, relaxation exercises, and cognitive-behavioral strategies. Dr. Jagdish Zire conducted interactive activities to help students identify stress triggers and provided practical tips to handle stress in academic and personal life.

2. Sickle Cell Anemia Lecture

Dr. Gunjal lecture focused on Sickle Cell Anemia, a genetic disorder characterized by abnormal hemoglobin production. He explained the pathophysiology of the disease and the challenges faced by individuals affected by it.

The session covered the genetic inheritance pattern of Sickle Cell Anemia and the importance of genetic counseling for affected individuals and their families. Dr. Gunjal discussed various treatment options and highlighted the need for early diagnosis and management to improve the quality of life of patients with the condition.

Outcomes

The guest lecture on mental stress management and Sickle Cell Anemia yielded significant outcomes for the students:

Increased Awareness: Students gained a deeper understanding of mental health issues and the importance of seeking professional help for stress management.

Effective Coping Strategies: The lecture equipped students with practical coping strategies to manage stress in their daily lives, fostering mental well-being.

Enhanced Knowledge of Sickle Cell Anemia: Students acquired comprehensive knowledge about Sickle Cell Anemia, enabling them to offer empathetic care to patients with the condition.

Career Guidance: The guest lecture provided valuable insights into the fields of psychology and hematology, inspiring students to consider pursuing careers in these specialties.

Conclusion

The guest lecture on mental stress management and Sickle Cell Anemia proved to be an informative and valuable session for students at DCS's A.R. A. College of Pharmacy. The event succeeded in creating awareness about the significance of mental health and offered practical strategies for managing stress effectively.

The lecture on Sickle Cell Anemia deepened students' understanding of the genetic disorder, fostering empathy and compassion for individuals living with the condition. The college remains committed to organizing such insightful guest lectures to enrich students' knowledge and prepare them to become compassionate and competent healthcare professionals.

2022-2023	One Day Online Workshop	Indian Patent Office NIPAM Sponsored Online Workshop on Understanding Intellectual Property and its importance	15th April 2023
-----------	------------------------------------	---	-----------------------------------

ONE DAY Online Workshop was organized by Dhule Charitable Society's A. R. A. College of Pharmacy, Nagaon, Dhule, on **Understanding Intellectual Property and its importance** dated **15th April 2023** sponsored by Indian Patent Office NIPAM. Principal Dr. R. D. Wagh welcome the Guest Speaker. The speaker Ms. Aswini Patil, Researcher and Reg. Patent Agent of NIPAM spoke on the Understanding Intellectual Property and its importance, What is Patent, Copyright, IPR. Principal Dr. R. D. Wagh, Convener Harshal S. Bhandari, Dr. Ravindra B. Patil, other faculty members and students of B. Pharm. actively participated in the Online Workshop and showed high response to the same. Principal Dr. R. D. Wagh welcome the Guest Speaker. During the session the students were exposed to different types of intellectual property rights and they would be enlightened and motivated to convert their ideas into innovation and further transformation into IP assets through the protection of their intellectual property rights.

Ms. Aswini Patil highlighted on the different forms of Intellectual Properties such as Patents, Designs, Trade marks, Geographical Indications, Copyrights etc. Mr. Harshal S. Bhandari gives vote of Thanks.
