Sr. No	Action taken	Achievement
1.	Minimum use of papers	Paper usage has reduced, as no unnecessary prints are taken by staff. Wherever possible, both sides of papers are used as well as rough papers are used.
2.	Tree Plantation activities	Tree plantation is carried out in campus from time to time. This has helped in improving the air quality, reducing pollution, maintain ecological balance and also helped in preventing soil erosion.
3.	Eco friendly Ganesha idol making activities	Every year this workshop is conducted wherein students are trained to make idol from mud. This has helped in creating awareness amongst students for refraining the use of POP idols.
4.	Plastic free campus initiatives	Plastic free activities have helped in generation of minimum plastic waste in the campus. Through notices, students are informed not to use plastics, and also it is monitored that no plastic bags are used by the students and staff as well.
5.	Cleanliness Drive	Campus and building is always maintained in a clean state. Regular cleaning is done by the assigned staff. Besides, cleanliness drive has helped instil a sense of importance of cleaning and hygiene in students.

Action taken and achievement reports as Clean and Green Campus initiatives

Tree plantation program (Academic year -2021-22)

Save plant, saving planet

DCS ARA college Of Pharmacy Nagaon Dhule has organized tree plantation program. Trees represents life growth and peace and nature. they produce oxygen soil and prevents droughts and preventing from soil erosion. That improves physiological, mental or spiritual health. They plays significant roles in ecological balance and equilibrium and by protecting us trees and growth of the trees.

On the occasion of world environment day tree plantation drive was successfully carried out by the faculty members of the DCS.A.R.A College of Pharmacy Nagaon Dhule. Tree plantation programme was held in 5th June 2021. In our college campus.

Dr.R. D Wagh Sir (Principal)

Dr.R.B Patil Sir (Vice Principal)

Dr. N.L Shirole Sir (Professor)

And others different faculty members also actively participated in tree plantation programs

Differents types of trees should be planted like neem, ashwagandha, calamb and other differents types of trees should be planted in particular college premises. All the students of college should actively participated in this events. Should carry out sampling of different trees along the premises.all the students take photographs along with tree or make the activity succesfully.

PLASTIC FREE DAY ACTIVITY RÈPORT

DATE-23/07/2023

TIME -12 PM

Plastic pollution has become one of the most pressing environmental issues as rapidly

Increasing pollution of disposable plastic products overwhelms the worlds' ability to deal with them. To make the students aware of the situation and seriousness of the issue. a plastic free day was organized by the college. On this day an informative lecture by the faculty member. Dr. Rajendra Wagh. Student got insight into the plastic pollution. Its impact on nature also measures to be taken in order to avoid plastic pollution. all the students and staff were asked to not use or limit the use of things made plastic.
